Dear Charlene,

I think you are very, very pretty & Harlene said you have a beautiful voice. I'll never forget the night at the Country club when I made you sing "Tree in the Meadow" over and over for two reasons. One because I wanted to learn the song and the other because I wanted to hear you sing. Take care of Allen and I hope you two always have the best of luck.

Love always,

WILL ROGERS HIGH SCHOOL

One of the greatest memorials that has been built to honor our own Will Rogers, Oklahoma's beloved cowboy humorist, Ambassador of Good Will, and Citizen of the World.

Will Rogers, we thank you for the privilege which is ours—that of bearing your name in honor and perpetuating it in memory.

Dear Charlene,
 I have really enjoyed knowing such a sweet and
 charming person as you. I admire you in many ways.
 I hope we will have occasion to see each other again.

"I was more proud to see my name in electric lights in my old home town on an institution built for service to the public, than I ever was to see my name in bright lights on the biggest theater on Broadway."—WILL ROGERS.

I shall always cherish your friendship.

Sincerely,

Dear Charlene,

After all of these years it's hard to write something appropriate. We've been friends for so long though our paths have often gone in different directions. I hope that the next few years will give you everything you want. You have a beautiful voice and I think you can really do things with it. Here's to keeping up a long friendship; next year at T. U. You're really a swell just fun knowing you, but

DEDICATION

To Every Friend of Will Rogers who has laughed with
him and lived a better life because of his example

BEVERLY
— WELCOMES —
MAYOR WILL

Here Will Rogers was born, November 4, 1879, at Oologah, Indian Territory.

For a brief period he attended Kemper Military Academy.

FOREWORD

THIS Lariat is to remind you of our heritage from Oklahoma's Citizen of the World, our own Will Rogers.

The World's Best Loved Cowboy.

"Will Rogers Remarks", a daily syndicated column featuring Will's views on current affairs, was read by millions.

He taught Will Junior many of his tricks.

His radio broadcasts were as friendly and chatty as his newspaper column.

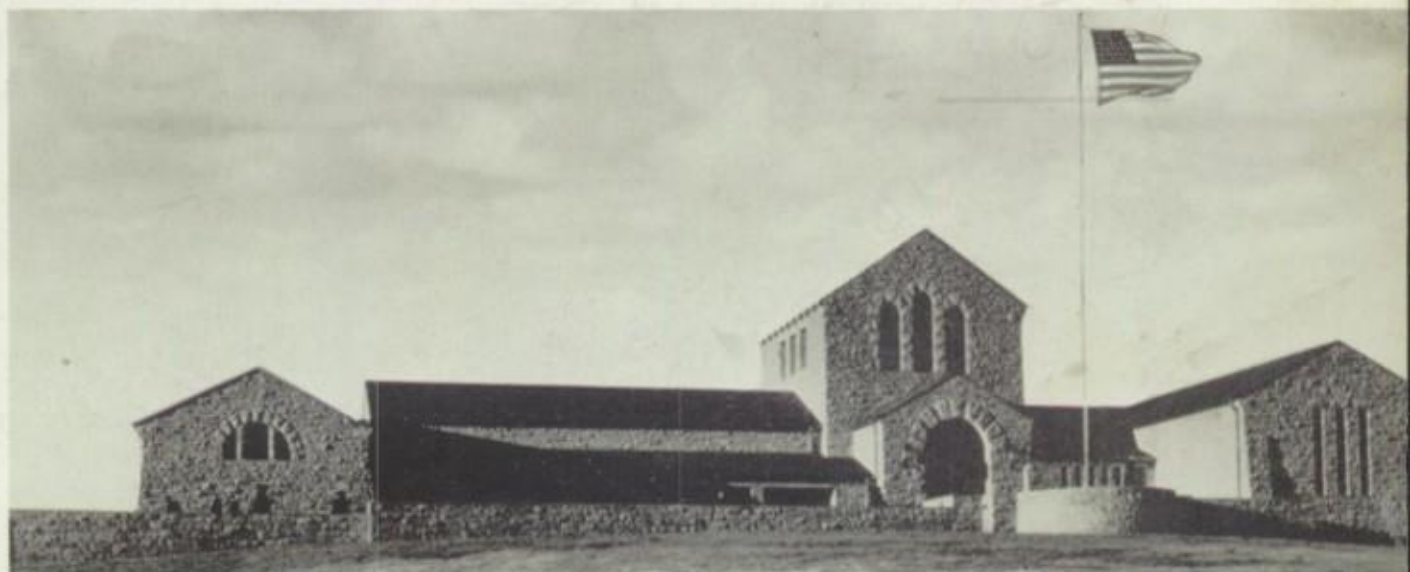

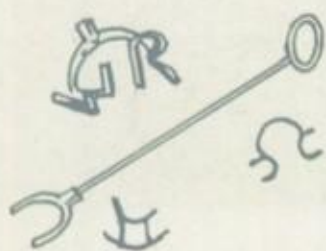

On stage Will Rogers was rather timid and suffered from stage fright.

Movie-goers recognized Will's inborn talents and enjoyed his fresh humor.

Will loved flying and did much for aviation. He flew to his death, with Wiley Post, August 15, 1936.

He and his wife Betty are now at rest at the beautiful Memorial at Claremore, erected by the citizens of Oklahoma.

WILLIAM Penn Adair was the name given by an Indian Chief to the famous cowboy, humorist, Will Rogers.

Born in the Indian Territory, near Oologah, he grew up with the cowboys and Indians. He loved all animals and spent much of his time riding and roping cattle. One of his best friends, in his youth, was his pony Comanche, who later assisted him in his exhibition roping acts.

Will's father, Clem V. Rogers, was one-eighth Cherokee Indian and his mother was a quarter blood. Will once wrote about his schooling: "My father was pretty well fixed, and I being the only male son he tried terribly hard to make something out of me. He sent me to about every school in that part of the country. In some of them I would last three or four months. I got just as far as the fourth reader when the teachers wouldn't seem to be running the school right, and rather than have the school stop, I would generally leave."

He liked every one with whom he came in contact and became an Ambassador of Good Will as he traveled around the world, wisecracking about the most influential and important people.

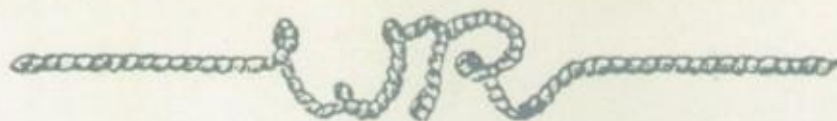

In movies he was just his own lovable, natural self. For the newspapers he wrote what he thought and quit when he had nothing to say. On the stage his wisecracks and clever puns became an important part of his act. Whether on the stage, in the movies, on the radio, or with a group of friends, Will Rogers made his audience feel that he was talking to each of them and had their problems at heart.

Because of his generosity and kindness of heart the fortune which he made was given to needy people over the world. He provided numerous scholarships for young people who were unable to provide the means for their education.

Although Will was greatly appreciated and admired during his lifetime, his death was only the beginning of a fame far greater than any he had ever imagined possible. His statue now stands in the Hall of Fame in our nation's Capitol.

"I hope nobody ever tries to write my life because I haven't started living."

—WILL ROGERS

Dear Charlene,

Well - this has been a wonderful
three years - hasn't it? I can't tell
you how much I have enjoyed knowing
all through our high school and junior
high career. Charlene - you've got more
personality, looks and common sense than
any girl in the senior class. I know you're
going to go far because you've got what it
takes to get anywhere you want to go -
just - I can't say the things I really
want but I hope you understand how
I feel - So I'll just say good luck
always and I hope I'll see you this
summer -

With Love
"Dance's"

Dear Charlene:

Honey, I know you for three years
now & I've loved you more every minute.
We had a grand time that year we went
to summer school together & this year in
our (finger) school life class. I think your
personality is wonderful & I hope yours &
Allen's future will be a happy one. You both
make a great pair. I love you to death & don't
forget we'll always be friends.

Book Two

ACTIVITIES

Be sweet & cute as you are always

P.S. Take care of your loads of love
beautiful voice.

Got a problem? Take it to the Student Council—they'll fix you up in a minute, though they are busy with Student Directory Sales, conventions, selling cokes and refreshments at the dances they sponsor, and working out the Point System.

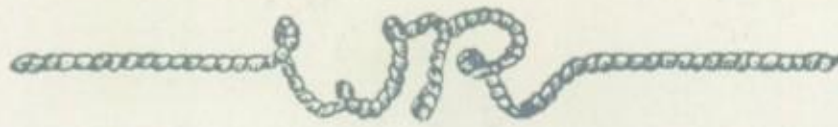

They are more than willing to accept suggestions for improvement throughout the school and to make it easier for anyone to contribute an idea, they placed a suggestion box in the main office.

The Inter-School Council convention was held at Will Rogers this year and approximately 300 visiting students and sponsors attended the meetings.

Carlynne Lea, Rosalyn Ryan, Phil Miller, and Mr. George Kubik, sponsor, represented Will Rogers High School at the S.A.S.G. convention held in Charleston, West Virginia, in November.

A project, originated by Jane Orman, was started this year to furnish the Vinita State Hospital with current magazines in good condition and, as usual, the student response was overwhelming. About 1700 magazines were sent to the hospital on the first delivery.

A committee of art students, headed by Barbara Valerius, made about fifty posters to help promote the clean-up program sponsored by the Student Council. A slogan contest

was held in connection with the campaign and members of the School Life staff won the one dollar prize for the best slogan submitted.

Additional posters were displayed in the school cafeteria, listing prices of plate lunches, salads, milk, etc.

The building and grounds committee, headed by Burt Holmes, saw to the replacement of broken furniture, mirrors, and other necessary items.

A student office assistant has many duties such as: collecting slips, delivering passes and bulletins, typing and doing odd jobs. Help is their motto and they're always there to assist.

Several girls work in the office each period during the day helping with the many jobs

that need to be done. They work under the direction of Mrs. Mary Frost and Mrs. June Shepherd. They assist the Office Manager, school Secretary, Registrar, Attendance Clerk, and Stenographer, and receive school credit for this work.

Library Assistants have to be courteous and efficient to those using the library. They spend many hours checking out the books, checking them back in, mending and sorting them and then starting all over again. Mrs. Ethel Moore has the job of librarian.

The library opens for service each morning, which is the busiest time of the day. Two stu-

dents help at the circulation desk and magazine racks while others carry on the work of shelf-reading, book-mending, shelving, accessioning and writing of fines and overdue notices. The assistants take the annual inventory and process the pamphlets and magazines. They also learn to use the library so they, may help others efficiently.

"Just imagine! I was in a farmer's house here (England) and he and his family had a book instead of a radio."—WILL ROGERS.

ACTIVITIES

The orchestra has many activities throughout the year. It plays for all the class plays and frequently for assemblies. Perhaps its biggest task is playing for the Round-Up.

SWING BAND

FRONT ROW, *standing*, Jim Belt, Bernie Epps, JoAnn Dorr, Dick Smith; Piano, Dick Rody. SECOND ROW, *seated*: Richard King, Dick Bradley, Walter Thomas, Wayne Thomas. THIRD ROW: Albert Perry, Ronnie McCullough, Larry Hartfelder, Richard Hudson, Don McCary, Bill Bennett, Randy Bossard.

When the Rogers Swing Band plays you won't want to wear ear muffs. "Bernie's Boys" are considered slightly terrific and play for all the school dances. They had an act in the Round-Up and this year they have

played for many church and social affairs. Sponsor of the band is Wyatt C. Freeman and band leader is Bernie Epps. Vocalists are JoAnn Dorr and Dick Smith.

ATHLETICS

VIRGINIA LATTING
HER MAJESTY, MISS WILL ROGERS XI

Football

In the all city round robin game of Sept. 16, 1949, our blue-clads were victorious over Webster by a 7-6 margin, but were unable to score on Central and that game ended in a 0-0 tie.

In their first game of the regular season at Skelly Stadium the following week, the Ropers rolled over the Okmulgee Bulldogs to a tune of 21-0.

Our boys went into the Central game at Skelly flushed with victory and confident of an easy win over the Central team. But at the end of the game the Rogers fans read the 6 to 0 verdict on the score board in favor of Central.

Bounding back after our defeat by Central, the Ropers proved they weren't out of the race yet, by traveling to Springfield and defeating the Bulldogs 20 to 7 in a non-conference game. This game was a good exhibition of team play. The next week it was a long journey to Fayetteville, Arkansas. The team was still hot and we smashed the Bulldogs 26-15.

The most thrilling game of the year came next as we met Muskogee. It was a neck and neck race right up to the end, but the difference seemed to be Jerry Simmons and Ed McAfee who sparked our team to a 25-19 victory, in perhaps the greatest game of their high school careers.

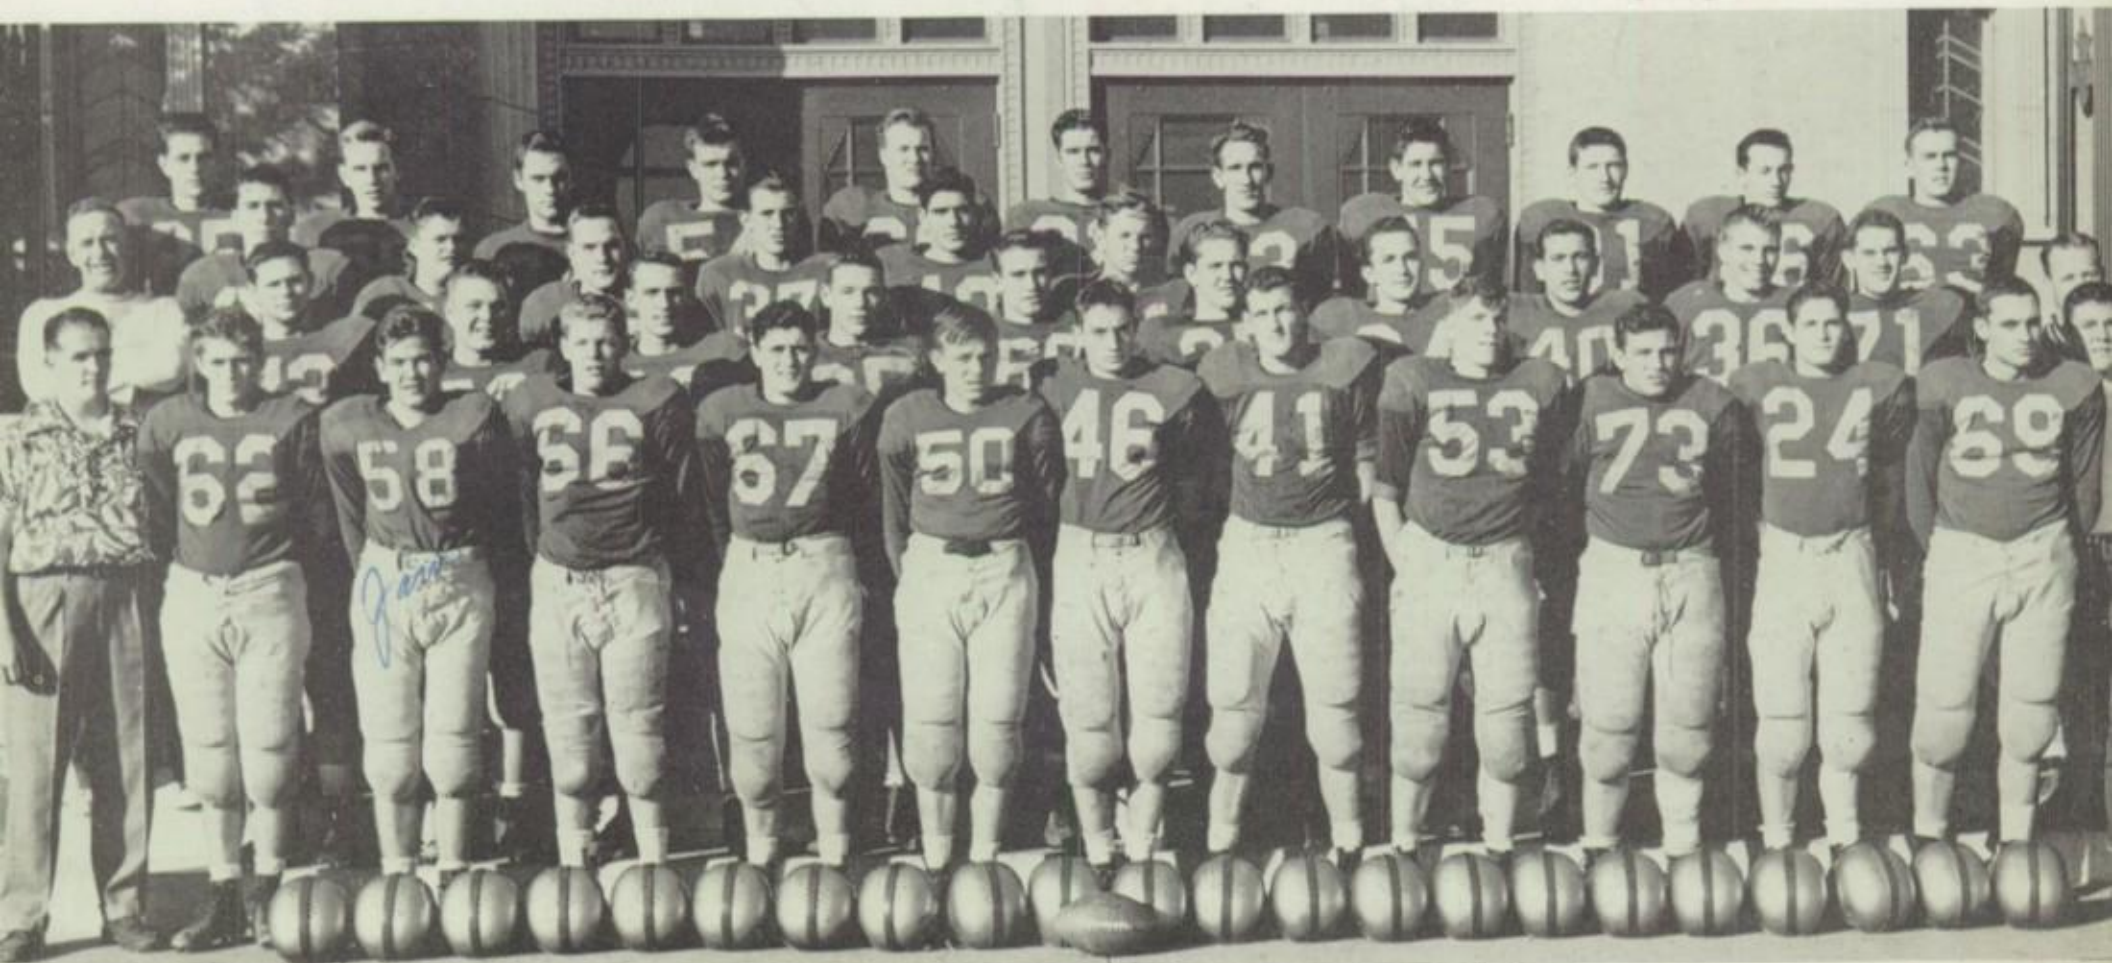

At Sapulpa our Eleven rocked the Chieftains 14 to 0 in a contest that was not really pictured on the scoreboard, for Sapulpa was game to the final gun. Ross Ausburn was a standout player, in a stand-out line.

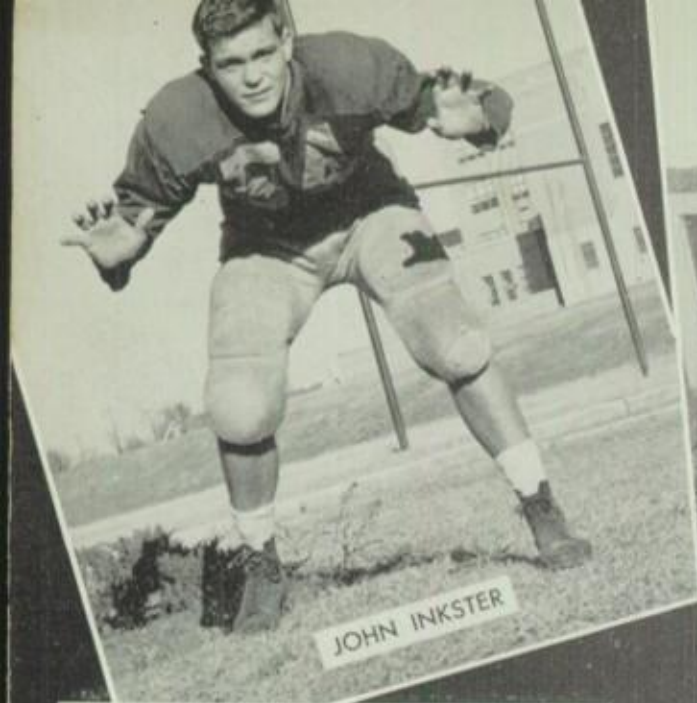

In a position to take over the District 6-A lead if Central lost to Muskogee, we engaged Webster at Skelly Stadium. Hopes were running high at Rogers for this was the crucial game. The Warriors scored early in the first half, and our team seemed not able to get rolling until late in the second quarter. Time ran out before battling Jack Brady could gain a touchdown. The Ropers never were able to threaten again and the game ended 14-0, as the district championship slipped from our fingers.

"It's always been best to let the people pick out their own hero. Don't try to force one on them, it's liable to have the opposite effect sometimes."

Next the Bartlesville Wildcats invaded Skelly Stadium but were repulsed in a hard-fought battle. John Inkster, hard-hitting tackle, literally held up the line with his smashing tackles and his vicious blocking in what was probably his best game of the season.

For the last game of the year the Ropers journeyed to Oklahoma City to take on the Classen Comets. Although our boys fought hard, the breaks ran against us and we came out on the short end of a 6-13 score.

Chosen for All-District team positions were: Bob Bolton, Ross Ausburn, John Inkster, Sam Loy, Jack Brady, and Jerry Simmons.

John Inkster, Sam Loy, Ed McAfee, Jerry Simmons, and Bob Bolton, received alternate positions on the All-State Team.

Ross Ausburn was selected for tackle position on the All-State Team. He was also awarded High-School All-American-Honorable Mention.

Last year's tennis team was victorious in four out of six Dual meets with victories over Cascia Hall and Muskogee.

Jim Reichard and Gene Fisher were runners-up for state doubles title and Dick deWatteville was runner up for state singles championship.

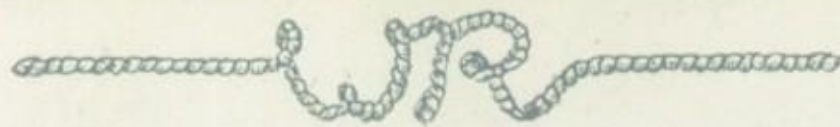

This year's team will be greatly weakened by the loss of seniors Jim Reichard, Tommy Latta, Jack Campbell, Dick deWatteville and John Gallagher. Also lost to the team is Gene Fisher who looked like he would be ranked first man this year. However, this year's team shows promise. The main part of the team will come from last year's B-squad and some promising sophomores.

Last year's Lettermen were: Gene Fisher, Dick deWatteville, Jim Reichard, John Gallagher, Ray Davis, Tommy Latta, Harold Hughens, and Maurice Ellison. The coach of the team is George Kubik.

But their luck did not hold out so well as they were defeated by Muskogee $4\frac{1}{2}$ - $10\frac{1}{2}$. Next was the Conference in which Rogers came in fifth. Still the Rogers weren't in the groove because out of the next 3 matches they won one which was taken from Webster 18-6.

WRESTLING

Will Rogers wrestling team opened its season by taking third place in the O. M. A. Invitational Meet. The Roper team produced four champions as Arlin Mareburger, John Welch, James Marshall, and Bob Phillipe came out on top in their respective weight divisions.

In our dual meet with Webster, the Ropers got off to a good start but the Warriors came back to nose us out by a 21 - 17 score.

The injury-ridden Ropers were unable to cope with a strong Perry team in the next match and gained only one fall and two ties.

Following the Winfield, Kansas match, which was a 33-3 romp, the much improved Roper team continued their winning ways by avenging an earlier defeat at the hands of Webster. They defeated the Warriors 20-15 and John Cunningham gained the only fall of the closely fought match.

The following week the Ropers pulled a surprise by tying the undefeated Central Braves 15-15. There were no falls for either side but it looked like Central was pulling away until the last three matches when James Marshall, John Cunningham, and Keith Kelly decisioned their respective opponents.

Bristow invaded our gym next and the hard fighting Roper mat-men ran up a tally of 31-5 to take the decision in every division but one.

The Ropers then journeyed to Oklahoma City to meet the Classen Comets in a closely fought match. The Oklahoma City team was out in front by 3 points when it was over.

Rogers closed their dual competition by meeting the Central Braves for the second time, when the Braves came out on top by a score of 19-14. Arlin Mareburger and Keith Kelley defeated their opponents to finish their dual competition without a loss.

The state meet at Central closed the wrestling season. The Will Rogers team really made a good showing as they placed six men and took third place in the team standings. James Marshall won in the 154-pound class, the Ropers only state champion.

BASKETBALL A SQUAD

The Ropers entered season competition by journeying to Ada, Oklahoma in a non-conference game. Our boys were overwhelmed by the Cougars' superior height and failed to start the season with a win.

Next on the schedule came the Classen Comets, a highly favored team. The courageous Ropers put on a great show as they narrowly missed knocking the Comets out of the undefeated role.

Still after their first win, the Ropers met the Fayetteville Bulldogs on our home court. The boys were really hot as they trounced Fayetteville 50-36.

Our next game was with our downtown rivals, the Central Braves, and with Dorsey Gibson and Ted Robertson leading the way, the Ropers emerged with a 47-45 victory. Although we led all the way by a good margin, Central came to life in the fourth quarter to make it one of the most exciting games of the season.

The Will Rogers Invitational Tournament provided the next competition for the Roper basketball team. Some of the best teams in

the state compete in this eight-team tournament and our team defeated every opponent until losing to Central in the finals by 2 points.

Following the Christmas holidays, the Ropers started the new year right by trouncing a previously undefeated Van Buren team 52-40. Jack Cowan led the way with a scoring spree that netted him 21 points.

Webster was the next victim to fall before the red hot Ropers. With Cowan and Martin hitting from all angles, Rogers piled up 39 points while holding the Warriors to 27.

The following week our team defeated Bartlesville for their third conference victory in as many starts. Except for Jack Cowan, the Roper reserves played the last three quarters and defeated the Wildcats 37 - 27.

The Ropers continued their winning ways by defeating Okmulgee 49 - 25 for their fourth straight victory. Cowan and Martin again led the way in scoring while Dorsey Gibson turned in a superb floor game.

In a weekend twin bill, the Ropers defeated Sapulpa in a conference game 36 - 29, and

then lost a non-conference game to the Van Buren Pointers 42-48.

Next came one of the most important victories of the year as we defeated the Central Braves 56-45, thus cinching the city championship and taking a firmer hold on the conference lead. It was a close game until the last quarter when Dorsey Gibson's accurate shooting enabled the Ropers to pull away. Gibson had a total of 17 points for the game and was ably assisted by the entire Rogers team.

All good things must come to an end and this was the fate of the Ropers' winning streak. Meeting Sapulpa for the second time, on our home court, our boys just didn't seem to have it, although in the last two minutes they rallied and came up to within one point

of the red-hot Chieftains. This loss was their first conference loss.

The Ropers then journeyed to Bartlesville for a conference game with a good Wildcat team. It was close all the way but at the end of the game the Will Rogers team was out in front by 5 points.

Next it was off to Muskogee for an important game with the Roughers and the Ropers really came through as they defeated Muskogee 59 - 48 and cinched a tie for the 6A conference competition with the Okmulgee Bulldogs at Okmulgee. It was a chance for Will Rogers to win the conference championship but the Bulldogs won out in a close game.

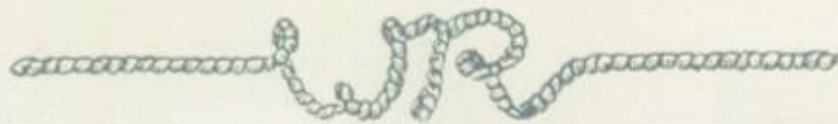

The regular season ended with a game at Fayetteville, Arkansas. It was a close game all the way but at the end the Fayetteville team had a one point margin despite Dorsey Gibson's 15 points.

The regional tournament closed out competition for the year. In the first pairings we

smashed Broken Arrow 66-32, with Cowan and Robertson making 23 and 18 points respectively. In the semi-finals we were matched with Sand Springs, perhaps the roughest team in the tournament. They proved too much for us as they put us out of the running by a score of 47-38.

The Will Rogers baseball team, under the coaching of Harry Knapp, got off to a flying start in the spring of 1949 by walloping Cushing 26 to 1.

This proved to be only the beginning though as we defeated our next four opponents by lopsided scores.

Central finally stopped the Roper streak at 5 straight, but only after a close, hard-fought game in which the Braves emerged victors by a one-run margin. The score was 6 to 7.

The Ropers quickly got back into their winning ways by defeating the next 3 opponents on their schedule. The high point of this series of victories was a 13 to 0 shutout over Sapulpa.

After losing another thriller to Central by a score of 1 to 2 the Ropers closed out regular season play with an 11 to 6 victory over Sand Springs and a 4 to 6 defeat at the hands of the Bartlesville Wildcats.

Post season play began with the regional tournament where we defeated Broken Arrow, Tulsa Central, and Cushing in quick succession. Then it was off to the state tournament where we emerged runners-up to the State Champion.

The Ropers not only finished their season with a record of 15 victories and only 5 defeats, but also placed 3 players on the Oklahoma All State team. These 3 were Wally Knapp, outfielder; Eddie Stephens, pitcher; and Jim Yeager, alternate catcher.
